

99th BGHS NOTE: Another Year Has Passed!

Another year has passed for the 99th Bomb Group Historical Society (BGHS) and looking back we have a number of accomplishments of which a few are highlighted below:

The 2011 99th BGHS Diamondbacks Historical Calendar – In 2007 for the first time we made a “99th BGHS Diamondbacks Historical Calendar” available to our members at a reduced cost, totally dedicated to the 99th BG using the photos provided to us by our members or through other public sources such as the National Archives. We are now working on the 2011 Calendar and we hope you will send us copies of your 99th BG photos for consideration.

The Diamondbacks – The History of the 99th Bomb Group (H) - We were down to our last 4 copies of “The Diamondbacks – The History of the 99th Bomb Group (H)” but due to the generous donations we received as part of our “Friends of the 99th” fund drive, we are pleased to announce that we were able to have 100 more copies printed. We will continue to fill orders for our membership and provide for future donations to Libraries and other locations where the 99th BG history can be perpetuated. The cost is \$45 which includes shipping. If you would like to donate a copy to your local Library, School, Veterans Post, etc. please contact Gary T. Staffo (GStaffo@verizon.net or call 202-586-9577) for details.

99th BGHS Member Reunions - The 99th BGHS continues to sponsor our major event an Annual Reunion for our Membership. These 99th BGHS events are well received and deeply appreciated by all who were able to attend and leave with not only great memories of good times shared with comrades, but also a greater appreciation and understanding of our 99th BG heritage and contribution to WWII. The last few years we have held our Reunions at sites where major WWII Museums are located, the Mighty 8th Air Force Museum near Savannah GA in 2007, the US Air Force Museum in Dayton OH in 2008, and we are having the 2009 Reunion at the WWII Museum in New Orleans LA November 4-8, 2009. Our sincere “thank you” to Marty Upchurch for stepping up to coordinate the 2009 Reunion.

99th BGHS Member Services – Jerry Buckingham continues his outstanding job of providing services to our members that include the Annual Membership Directory, careful management of our Treasury (including collection of Dues, payment of bills, and providing Quarterly Reports), and working with the outstanding 99th BGHS database compiled by Dick Drain to help provide many members with detailed information on their mission list, and the aircraft and crew’s they flew with. George Hilton, Jr. personally contacts many of our 347th BS Veterans and responds for the 99th BG on each request for information concerning the 347th BS. Credit should also be given to James Peters and Jules Horowitz who monitor the ArmyAirForces.com website for 99th BG questions and steer them to us for more information and possible 99th BGHS membership. Many of you may not realize that from this site alone we average one or two requests per week for detailed information about 99th BG personnel, aircraft, missions and related topics. Requests for 99th BG information from overseas average about one or two requests per month and come primarily from Italy, Poland, Germany and the areas formerly known as Yugoslavia and Hungary.

99th Bomb Group Website – Our 99th BGHS Webmaster has lost her job and can no longer support the website. The future of the 99th BG Website will be discussed at the 2009 Annual Reunion and I hope that we will have a volunteer step up to maintain and continue to improve upon the website. The 99th BG website address is: <http://www.99bombgroup.org>

On behalf of the Officers and the Board of Directors for the 99th BGHS we extend our heartfelt appreciation and gratitude to all our members for your participation and contributions to help us with our mission to preserve and spread the history of the 99th BG.
