Volume 33 Issue 1

March 2013

## 2<sup>nd</sup> Vice Presidents Message

Thank you, for your continuing support and interest in the 99th BGHS. ***Our 2013 99<sup>th</sup> BGHS Dues of \$30 were due in January; please send in your check to help us continue to preserve and spread the history of the 99<sup>th</sup> BG Veterans.*** The 99th BGHS is a not-for-profit 501(c) (19) Veterans organization of about 400 members that is run 100% by unpaid volunteers. There are about four of us who do 99% of the work. We handle hundreds of requests each year from Veterans, families, friends, historical researchers, etc. and all of this is done at the sacrifice of our personal time. We have been working to add new materials to our 99<sup>th</sup> BGHS Website as this is now the primary source along with contacts from the Army Air Forces website for most of our new 2<sup>nd</sup> or 3<sup>rd</sup> generation members.

### 99<sup>th</sup> BGHS Mini Reunions!

Inside this newsletter you will find details for two upcoming 99<sup>th</sup> BGHS Mini Reunion opportunities. Our 99<sup>th</sup> BGHS "Mini Reunions" are informal get together's where "two or more" of our Members plan to meet at a scheduled event with one or more of our members acting as a POC or informal coordinator. This year we are having a "Mini Reunion" at the Mid Atlantic Air Museum in **Reading PA** the weekend of **June 8-9, 2013** when they have their annual air show. **Rich Walzak** (email: [getrich2\\_1@juno.com](mailto:getrich2_1@juno.com) phone: 480-248-4208) is the coordinator for this event and his contact information and details on the Mid Atlantic Air Show are provided on pages 9 -11.

We are also doing a "tag a long" with the 451<sup>st</sup> Bomb Group which is sponsoring a WWII 15<sup>th</sup> Air Force Reunion in **Tempe, AZ October 17-19, 2013**. **Winson Jones** (email: [WinJones@comcast.net](mailto:WinJones@comcast.net) phone: 425- 223-2101) has put together an outstanding program and a great deal with the Tempe Embassy Suites Hotel (1-480-897-7444) for special \$89 per night rate if you mention the 15<sup>th</sup> Air Force Reunion by March 31, 2013! Check out the 451<sup>st</sup> BG website (<http://www.gordons.ws/reunion>) for all of the details on the Reunion Agenda. The preliminary Activities and Registration Form are provided on pages 12-14.

### Challenges

The 99<sup>th</sup> BGHS has taken the lead in trying to preserve, organize and share our 99<sup>th</sup> BG history with a wider and new audience. Working closely with and building upon the outstanding historical research done by Dick Drain for the 99<sup>th</sup> BG and the 5<sup>th</sup> Bomb Wing we are trying to fill in some of the gaps and we are pressing forward with great ideas as demonstrated by the 99<sup>th</sup> BGHS Historical Calendar and the recent additions to our Website. ***Do not wait until later, do it now, send in your material or contact Gary or Jerry and they will work with you to preserve your materials and your history for posterity, and for the 99<sup>th</sup> BGHS.*** Allow us an opportunity to discuss with you all your options (e.g. pass on to family; donate to a local museum; donate to the Friends of the 99<sup>th</sup>; or work with you to make copies if you wish to sell it and give you an idea of the items value, etc.), and some of our members may be interested in directly purchasing some of your WWII memorabilia. During the last several reunions our members have brought in photos, scrapbooks, orders, patches, letters, and other memorabilia that we have preserved for our history. Some of this donated material has already been shared with you in our Newsletter and calendar, and much more is on the way. We take painstaking care of these original materials and where requested they are safely returned to the owner after duplication.

Best wishes to all of you 99ers. Gary T. Staffo

98<sup>th</sup> Bomb Wing Reunion and 99<sup>th</sup> BGHS  
Honor Ploesti Veterans, Shreveport Louisiana, October 2011

By Lorraine Henning Kiewiet\*

Over a four-day period in October 2011, in a Holiday Inn on the "Other Side of Louisiana," I continued my journey to hear the stories that my father (James Henning 99BG 416BS, with 4232074 OH! JOSIE photo below) didn't tell me about being a member of a World War II Army-Air Force B-17 bomber crew. The more I hear, the more I understand why he did not want to talk about it! And the more I want to connect with these wonderful veterans and keepers of America's captivating WWII history. It's a miracle that I'm here today based on research I have done. My dad has passed on, but the affinities I share with these others somehow bring me closer to the side of my dad I never knew.

The combined reunion highlights were meeting with the Veterans, the exhibits provided by the Air Force Historical Society, and the trip to Barksdale Air Force Base.

The exhibit in the hotel ballroom was organized by Robert Coalter, a director of the Army Air Corps Library and Museum. You can contact Robert at (214) 957-1393, or [rc@armyaircorpsmuseum.org](mailto:rc@armyaircorpsmuseum.org). Visit their website at [www.ArmyAirCorpsMuseum.org](http://www.ArmyAirCorpsMuseum.org). The museum accepts donations of uniforms, medals, equipment, personal items, paperwork, books, photos, etc. from the era of the Army Air Corps.

The ballroom exhibit included different uniforms worn by the men, as well as enlarged photographs of the different Ploesti raider groups. There were several scrapbooks of memorabilia—photos and diary pages.

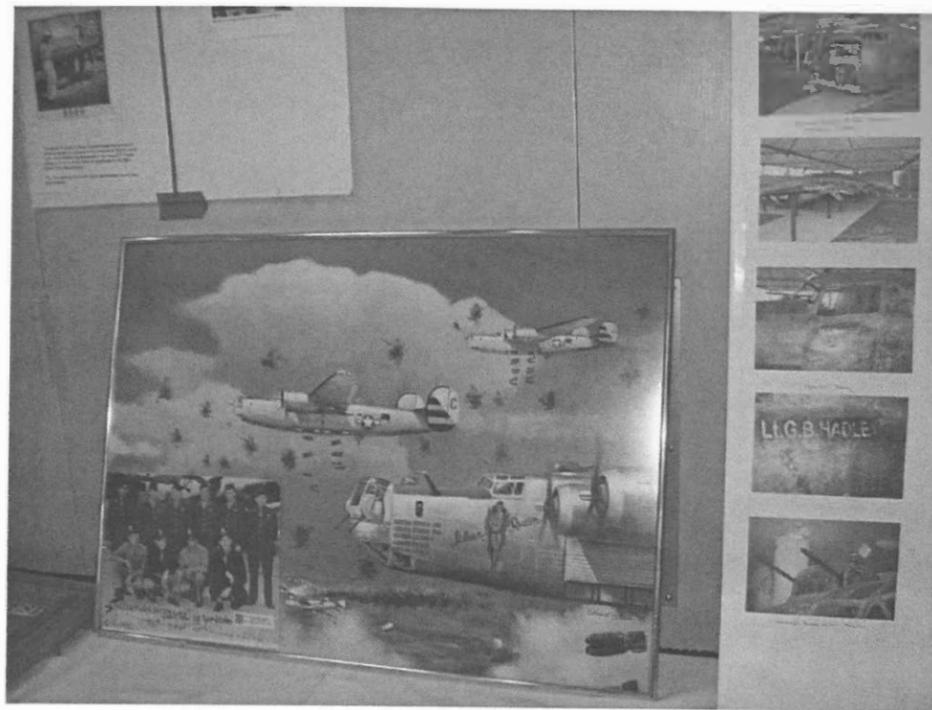

The purpose of the 99th Bomb Group Historical Society (BGHS) is to preserve and spread the history of the 99th BG and the critical role they played in helping to preserve our freedom during WWII.

Under the umbrella of the 99<sup>th</sup> BGHS (a tax-exempt not-for-profit 501 (c) (3) organization), there is the **Friends of the 99<sup>th</sup>** to enable members and other parties to more easily make financial and material donations to the 99<sup>th</sup> BGHS. The Friends of the 99th will provide an acknowledgment of your donation, for tax purposes and as a permanent record of your contribution.

**Contact the 99<sup>th</sup> BGHS for an opportunity to discuss all your options (e.g. pass on to family; donate to a local museum; donate to the Friends of the 99<sup>th</sup>; etc. and they will work with you to preserve your materials and your history for posterity, and for the 99<sup>th</sup> BGHS.** The website for the 99<sup>th</sup> Bomb Group Historical Society (BGHS) is [www.99BombGroup.org](http://www.99BombGroup.org)

A souvenir pin I received at the reunion shows the B-17s above and the B-24s flying low. There were many souvenir tee shirts, jackets, caps, etc. available for B-24 group. The web site for the B-24 Ploesti raider group is <http://www.459bg.org/>.

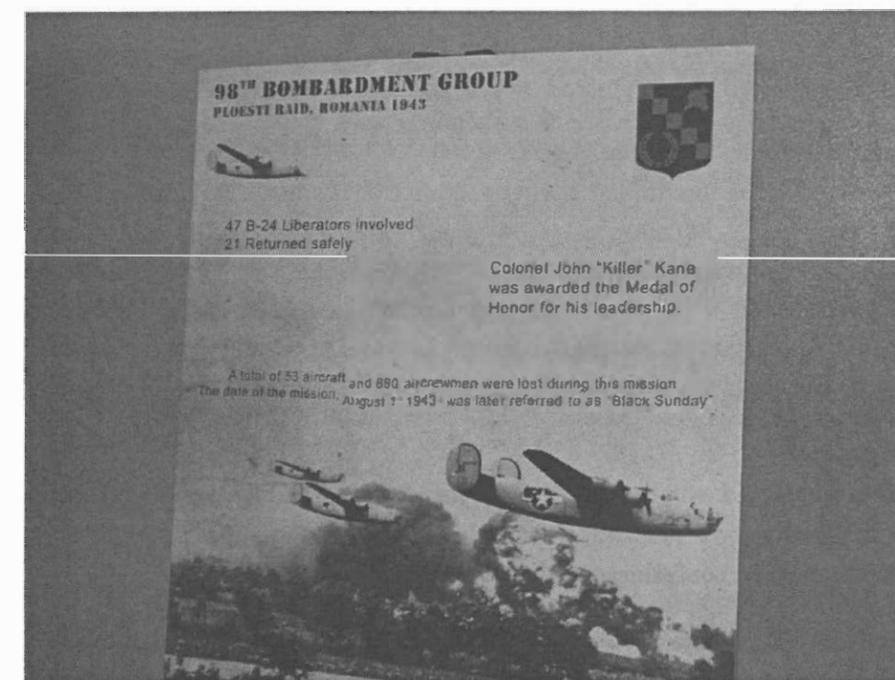

The 99th BGHS also sponsors mini-reunions, and subsidized member prices for various 99th BG memorabilia such as hats, squadron patches, bumper stickers, and the 99th BGHS Historical Calendar. They also are selling for \$50.00, to members only, the last copies available of "**The Diamondbacks - The History of the 99th Bomb Group (H)**".

Then we gathered in the ballroom for presentations and impromptu sharing of stories from the veterans. After that, a group photo as partially shown above. Only two 99<sup>th</sup> BGHS veterans were able to be there, Charles Steffens (348BS) and Hal Grant (346BS). In the photo above, Charles is in the top row, third from the left. Charles attended with his daughter. He is pictured in the 99<sup>th</sup> BGHS book "The Diamondbacks" on page 53.

The Barksdale Air Force Base tour was a windy one! The weather was sunny and bright, but few of us could withstand the high winds for very long to enjoy the up-close look at the B-52 that was available to us. We were offered the opportunity to climb into it, but frankly, most of us just wanted to get in out of the windy weather. There were 57 B-52's lined up or in hangars at Barksdale AFB. They can fly around the globe without refueling, and their young crew is fully trained to carry nuclear weapons. But they also enjoy doing "fly-overs" (unarmed) for sports events. After the B-52 tour, we had lunch in the enlisted men's banquet hall. At each table, young Air Force men and women were welcoming and so happy to meet the vets. For our departing night, Barksdale AFB invited us back for a BBQ at the Officers' hall. Air Force servicemen grilled beautiful steaks to order! Inside, there was the salad bar, adult beverage bar, and such great companionship.

Historical note: Ploesti, Romania was where the commercial refinement of oil began in 1857. Ploesti was the first city in the world to tap into the earth's oil riches. After the first year of WWII, Ploesti refineries were producing nearly a million tons of oil a month—40% of Romania's exports and the highest octane (90) aviation fuel in Europe. This refinery supplied Hitler with anywhere from one third to two-thirds of what was needed to

fuel the Nazi war machine. Hitler had a huge oil refinery and oil reserves. This oil was brought up from Libya and stored here to help Hitler's troops in southern Europe.

A side trip for our group included visiting the music hall where Elvis Presley made his debut, and all of the country western stars of the radio era could be seen live, on-stage, for 25 cents. After that, we had an authentic Cajun lunch.

Hal Grant (99BG 346BS) and his wife Bertgie can be seen seated on the right end of the first table at the left of the photo above.

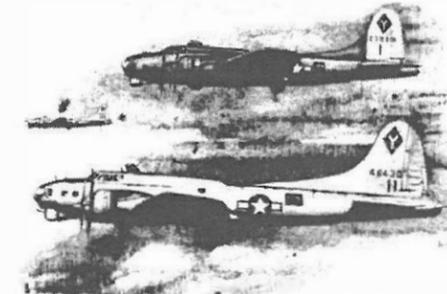

The Ploesti raiders were charged with departing from their base in Benghazi (the hometown of former Libyan dictator Moamar Khadfi) and flying more than 2,100 miles to take out the Ploesti targets. The objective was to eliminate Hitler's energy supply and stall the Nazi war machine. When the Allies had bases in Italy, the 15<sup>th</sup> Air Force was based in Foggia, Italy. The 99<sup>th</sup> BG flew 13 missions from Tortorella Field to Ploesti starting on April 5, 1944 and the final mission was on August 18, 1944. During this period a review of our 99<sup>th</sup> BGHS database lists seven aircraft lost (4238207, 42107000, 4232035, 42106991, 42106995, 4232028, 4232068) on these missions over Ploesti.

The combined Ploesti raids were first conducted with the 98<sup>th</sup> Bomb Wing of early B-24 low level flights close to the ground in 1943, and later in 1944 with the B-17s flying at altitude high above. Thus, the early low level flights hoped the Nazi ground defense could be confused as to how to defend the site.

When we watch the movie "The Longest Day" and we watch the Nazi high brass scrambling to find out why the tanks are not being moved around to get to Normandy, the answer is, "they were out of gas!" because of the Ploesti Raiders, because of our B-17s from the 99<sup>th</sup> Bomb Group.

99<sup>th</sup> BGHS Mini Reunion Reading PA June 8-9, 2013  
Mid Atlantic Air Museum (MAAM) Air Show

Dear Members,

Thank you, for your help to preserve and spread the history of the 99<sup>th</sup> BG. On behalf of the 99<sup>th</sup> BGHS it is my great pleasure to serve as your Host to provide you information, coordination, and assistance with the 99<sup>th</sup> BGHS Mini Reunion at the Mid Atlantic Air Museum in Reading PA during the weekend of June 8-9, 2013.

I look forward to working with you on the 99<sup>th</sup> BGHS Mini Reunion at the Mid Atlantic Air Museum in Reading PA during the weekend of June 8-9, 2013. **Please contact me directly by email or phone ASAP to coordinate your attendance and help you with any questions you have concerning hotels, transportation and the MAAM Air Show.** The next two pages provide some brief highlights about the MAAM Air Show, but you really need to go online to see all the details of what goes on at this fantastic show.

**NOTE: 99BG Veterans if you plan to attend please contact me ASAP so that we can coordinate with the MAAM Staff to ensure you receive "special guest" recognition and support.**

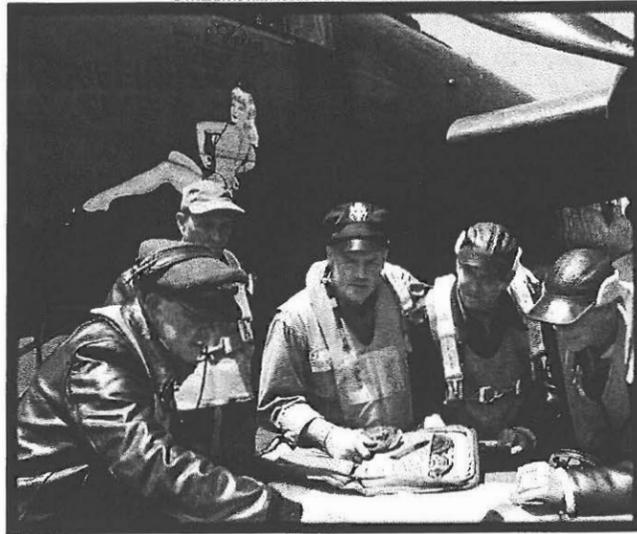

We hope you are able to take advantage of this upcoming opportunity for our members to get together at the "Mini Reunion". We hope the success of this and other projects will encourage even more members to send in to us additional 99<sup>th</sup> BG photos for consideration for the calendar, and more importantly, for cataloging in our 99<sup>th</sup> BGHS historical archives. We can always use more pictures for the archives and any letters, orders, articles etc. can help us with our research and also provide more information for the many requests we get each month. We are especially interested in WWII 99BG aircraft photos, crew pictures and those taken in theater.

This Mini Reunion provides another living memorial to help preserve and spread the history of the 99<sup>th</sup> BG and the heroic men who made our freedom possible today. Your continuing contributions and support for the 99<sup>th</sup> BGHS are deeply appreciated. May God bless you and your family with good health, good friends, and good times.

### SIGN UP NOW FOR THE HEAVIES

The Commemorative Air Force is now taking reservations for flights aboard their B-29 Superfortress "FIFI" and B-24 Liberator "Diamond Lil". Direct links and all the information will be found on the B-24 and B-29 ride pages - just follow the Warbird Rides bomb link on the right.

### THE BIG GIRL IS COMING!

The world's only flying B-29, "FIFI", has confirmed and will, along with her hangar-mate, the B-24 "Diamond Lil" will be selling rides at World War II Weekend. All the details can be found on the Warbird Rides Page. The bomb link will take you there, then click on the aircraft photo or the Price-Details-Schedule link for information. The CAF will be taking all reservations on these two planes, so please don't call the museum.
